

МИКСЕР ПЛАНЕТАРНЫЙ STARFOOD M30

МИКСЕР ПЛАНЕТАРНЫЙ STARFOOD M30

1	nut	60	fork guid bar
2	spring washer	61	nut
3	flat gasket	62	spring
4	oil seal	63	lifting pin
5	shaft with spring	64	fork
6	bearing	65	eccentric locking collar
7	lower bearing upper sleeve	66	round pin
8	lower clutch gear	67	variable speed spindle
9	output shaft gear set	68	steel ball
10	flat key	69	spring
11	output shaft	70	transmission block
12	flat key	71	countersunk head screw
13	output shaft clutch	72	set screw
14	upper clutch gear	73	handle holder
15	ratchet plate(down)	74	planet gear
16	out ring	75	bearing
17	roller spring	76	bearing
18	roller spring	77	oil seal
19	inside the star wheels	78	flat key
20	ratchet plate(up)	79	taper pin
21	bearing	80	planet shaft
22	flat gasket	81	magnetic switch rotor plate
23	spring washer	82	magenetic switch stator plate
24	nut	83	axle bearing seat
25	nut	84	fan blade
26	spring washer	85	back cover
27	plain washer	86	half-round head screw
28	bearing	87	handle
29	intermediate bridge axle	88	hook
30	flat key	89	bat
31	Intermediate shaft gear(big)	90	whisk
32	intermediate shaft sleeve	91	bowl
33	Intermediate shaft gear(small)	92	bowl seat
34	shaft ring	93	bowl lock handle
35	bearing	94	bowl pin
36	front cover	95	spring washer
37	protection grid	96	nut
38	hexagon socket cap screw	97	stand column
39	inside the ring gear	98	hexagon socket cap screw
40	half-round head screw	99	spring washer
41	swivel base	100	back cover
42	protection net block	101	outer hexagonal bolts
43	tank	102	pressure plate
44	bearing block	103	foot
45	hexagon socket cap screw	104	outer hexagonal bolts
46	Single bearing gland	105	lifting handle
47	double bearing gland	106	flat key
48	hexagon socket cap screw	107	arm
49	half-round head screw	108	elastic cylindrical pin
50	top cover	109	cotter pin
51	half-round head screw	110	rod
52	motor rotor	111	hexagon bolt
53	flat key	112	large flat key
54	bearing	113	spring
55	oil seal		
56	worm shaft		
57	motor stator		
58	input shaft		
59	worn gear
